

# Sometimes your best insurance is your fire department.

Supporting Firefighters for Safer Communities.

**Fireman's Fund**<sup>®</sup>  
Insurance Company

A company of **Allianz** 

Unfortunately, many fire departments across the country lack the resources they need to fully protect their communities.

That's why Korotkin Insurance Group and Fireman's Fund Insurance Company recently awarded the Detroit Fire Department a grant of \$5,353 for mobile printers.

As part of a social mission dating back to the company's founding in 1863, Fireman's Fund<sup>®</sup> and its network of independent agents direct grants and volunteer support to local fire departments and related organizations.

Please join us in congratulating the Detroit Fire Department. To learn more, visit us at [www.korotkin.com](http://www.korotkin.com)
